

Somersworth Public Library Addition and Renovation Project

2026 FUNDRAISING CAMPAIGN

There are many meaningful ways to be part of this once-in-a generation project.

The Somersworth Public Library and the Friends of the Somersworth Public Library have launched a campaign to make giving accessible for everyone—because every gift, no matter the size, moves this project forward.

Individuals, families, and small businesses can also give up to \$1,000 through the Friends of the Library, a 501(c)(3) nonprofit, either online or by check (forms are available online or at the Library).

If you're not able to give right now, you can still make a real impact by sharing our fundraiser with friends and family.

Together, we can open the doors—for everyone!
